The Premises:

A nice flat. Quite small but very smart. Access via a lift and so it's very private.

The Lady:

A very good looking girl. Her body is just my cup of tea, quiet largish breasts (for such a slim girl). Lovely blue eyes and a nice smile.

The Story:

Began by responding to my request to show off her knickers. I always like to see what I'm going to get in advance. A very sensual back massage before she got undressed, I hadn't quite appreciated just what a nice pair of tits she had until this point. Allowed me go down on her before she gave me really good head. She is one of those who takes your whole prick into their mouths. Sex in both doggie and mish. One of the best things about Charlotte is her ability to relate to her clients. I really enjoyed her company and she sent me on my way feeling terrific.
