The Premises:

Lovely appartment in Southwark, newly done out, everything very clean and modern. Free food and drink.

The Lady:

Four ladies - Lady M, Sophia, Jessica, Alice. All were great looking, see the pictures on the website - and really friendly too.

The Story:

I've been to a few parties and this was the best so far! Easy to find, yet discrete. Really friendly atmosphere.

Generally the girls were amazing, although I have to say when I was playing with Alice for the first time, she asked me to hurry up or she'd go on her break! Maybe she didn't appreciate the Jim Power magic! No attitude like that from anyone else, who knows maybe I'd caught her at a bad time...

Jessica - I loved the swing thing with ya! Lady M - your muscle control has to be felt to be believed! Sopia - you gorgeous honey, I hope I see you again soon!

11pm came round far too quickly. As I was staying over and the night was young me and one of the other guys went out to some nightclub, what a great night. In the words of the governor - I'll be back!
