The Story:

Have been meaning to see Melissa for some time now but never quite got round to it. Once inside her flat I knew it was gonna be worth the wait. Melissa opened the door in a pink PVC nurses outfit which I had requested she should and knee high boots.

This girl loves sex, after flicking on some porn, round one was over her sofa, she went down and sucked me hard, licking my balls and arse. It was as much as I could do not to come there and then. Bent her over the sofa, hitched up the nurse uniform and pounded her hard from behind. Pulled out, pulled off the jonny and shot 4 days worth over her boobs which she rubbed in and licked off.

Can of beer, quick shower and she was ready for round 2. Into the bedroom this time, she sucked me hard and begged that I should pump her arse. After such a good BBBJ I rewarded her by pumping her tight ass til I came again.

I left just before the hour was up and am still smiling now three hours later.
