The Premises:

Her place was very clean, in an ok area and felt safe.

The Lady:

She looked lovely, just as in her pictures on her website. Better in person, but then thats obvious!

The Story:

Well this was my first time of ever seeing a "working" girl. Having read Punternet before, I thought it only fair to write my own report.

Paris was great from start to finish. When I called the day before I explained it was my first time and she explained everything and really put me at ease.

When I got there she was really friendly, and again dispelled any fears that I may have had.

She puts on a show for you at the begining, no massage or any of that stuff I have read about. She does a really good striptease, and you can touch where you wish. She then does a nice toy show before getting to the full service.

The service was great, she does kiss and offers oral without as well as reverse oral.

Had a chat after and she was so nice.

She was really genuine and I did truely enjoy myself, not at all what I expected and very very good value, in my opinion.

Will definately go back when I have saved enough pennies!
