The Premises:

Flat in a converted house on the main road (nearer Fulham than Earls Court - I nearly froze finding the place).

The Lady:

Exactly as per the description on the site : short (5'1"), blonde, enhanced breasts, very fit and the age seemed about right. English was understood more than spoken but still more than enough :)

The Story:

Excellent time had. This was the first time I'd use City Butterflies and all was well - very professional. Kelly herself was great - no FK, but everything else was fine. A bundle of energy and good technique all round. Excellent massage as well. All in all a good time that left me quite weak at the knees!
