Very sexy, 20s Polish blonde

### The Story:

Took me a while to find the place, but its just off the main road near Sloane Square tube. Place is very nice looking in a safe area off the Kings Road.

Lolita is a very sexy and warm young lady. About 5ft2 short blondish hair which she had tied up. Great body, maybe a bit thin for my usual tastes, but she had great smooth skin and a great tan like complexion.

Had a glass of red wine and a quick chat. Must have been waffling because she asked for her 'present'.

Sat on bed and kissed a bit. She didn't really like tongues, but I tried anyway and after a while she used hers a bit as she relaxed.

Because of previous reports, I immediately went for OWO. She is great at this. Gentle sucking and licking, but also allowing you to thrust in her mouth. Go gently though as she's really sweet. After a great CIM, I decided I'd try to get her off (only fair ;)

She continued to give a great BJ and slowly slid a hat on my awakening beast. I told her to sit on board and she did so. After a while of riding I could tell she was enjoying herself. She was on the brink of coming but not yet. She put some pleasure gel on herself, but I decided a change of position might be better for her so we did it on our sides whilst I rubbed her clit.

Changed to doggie which she really enjoyed...I was pumping like mad hoping that her growing cries

of lust would be the big one...:)

Well...I think she nearly did, but just to be sure I told her I'd lick her which she was excited about.

Time was up, the phone was ringing, but she didn't want me going anywhere and I didn't want to go. True GFE.

Lolita is a fantastic girl....Very sweet so treat her well.

Thanks for your last comment Lolita! :)
