### The Story:

went in room and had quick washdown with a shower thatwasnot conected tothewall.

Mel came in andwas plesent. Then told me i was having talc for massage. The masage was plesent and included a body to body rub. After 5 mins told to turn over. Mel had quite an abrupt manner.

She gave quick rub then told me to sit up and pushed her nipple into my mouth. then offered owo but opted for covered. She struggled to get condom on and told meto doit. Quick suck whilst using hands roughly. Then again put her breastinto my mouth accued me of biting and got nasty. Total turn off so told her to stop the punt as i was leaving. Got stroppy and demanded all money. This just infuriated me more so refused to pay full amount. After discussion with receptionist took the 20 quid i offered. I WOULD NEVER GO BACK AGAIN AND SHOULD HAVE WITED AT SANDY'S 200 YARDS UP THE ROAD

### Service Provider's Rebuttal

The lady writes, "For starters i do not work on a Thursday just on a Monday and i wouldnt consider a size 10/12 as chubby, so therefore this report is not only malicious but also 100% untrue."
