The Premises:

Clean and classy as divine always is.

The Lady:

Wow, just over 5ft tall slim and perfectly proportioned from head to toe with an enlargement in only one important area (32dd). Have a look at her pics on site and believe she is as good if not better than anything you imagine.

The Story:

Started with the normal soft massage not amazing but allowed me to get my breathe back as the lift was not working. Then the magic started with some oral then 69 as i hate to see the lady miss out and i wanted to get my tongue around her very smoothly shaved lips. After a while afraid of finishing to soon we moved into cowgirl until completion. This girl could bankrupt me as her oral is slow and sensual not to hard or soft and her cowgirl is not of the frantic variety where you know the girl wants you out the door.

I feel as if i could use the word "pefect" in every line describing her and her actions but for me thats just the way i saw the encounter and couldn't believe my luck as i strolled back to the car without a care in the world. "PERFECT"
