The Lady:

Debbie is much more than her looks but the ?bare facts? are: 5'5", long brunette hair, 40D-28-36, mid-30s. In addition: fabulous personality; full figured in a sensuous, cuddly and sexy way; wicked, laughing, sparkling, green eyes; -- and among the most charming, friendly, funny and hospitable ladies you will ever meet.

The Story:

Unbelievably for a lady who is closing in on the magic number of 100 FRs, Debbie only garnered three FRs (one of which was mine) in the whole of 2004. Here we are in mid-March and this will be her first of 2005.

Once again I was able to secure one of the evening (?after hours?) appointments which Debbie offers. I arrived a little early and spend a very pleasant time chatting to Arrena. If I'd had just a little more time I would not have been able to resist Arrena who is charming, good-looking and very sexy. Anyway, I was well entertained by Arrena and Sam the maid until Debbie arrived.

Debbie gets sexier with each visit. She oozes sexuality and enjoys giving pleasure in her uniquely sexy way. I am always happy to benefit from Debbie's extensive experience of matters sexual.

After a boisterous start, an Anerley shower was (as always) a highlight of the session. We moved from the shower to the kitchen where I had a the pleasure of a first. Debbie asked me to take her on top of the spin drier as its vibrations turned her on. And the wicked smile which spread across Debbie's face turned me on further. We moved to the lounge and as we got turned on the TV got switched off. Back to the bedroom for more ? and more.

Debbie offers a fantastic GFE and the better you get to know her the better it gets. Here's to the next time.
