### The Premises:

Blue Ice off constitution hill, entrance discreet at rear, maid responds to intercom and collects you in the lift always very friendly she takes you to one of the suites takes the money then you wait a couple of mins for the lady to visit you.

A nice safe environment I like this place.

### The Lady:

Leah is early to mid thirties about 5'6" tall nice legs has long blonde hair, is very attractive with a trim 36c/26/36 figure and has a nice light all over tan, and a couple of small tattoos.

### The Story:

This is the second time I have seen Leah and can pretty much confirm everything said in previous reports, greets you with a lovely smile puts her arms around you and gives you a passionate kiss. A genuine GFE followed, did not bother with the massage offered just got straight into some very passionate kissing cuddling and general groping of each other!

It really was like meeting a long lost girlfriend, my pleasure now quite obvious Leah gave some superb OWO, only stopping when asked so I could return the compliment. Leah, s lovely clean shaven pussy responded well to my attention she became very wet and was not faking her enjoyment. So it was on with the condom and some superb cowgirl action from Leah, after some time we changed round and with me on top and Leah, s legs over my shoulders we had a long slow deep screw, after a good session of this I had to see that ass and Leah willingly assumed the position for some fast hard doggie style which we both really enjoyed. As that feeling was now building inside I had to pull out quick whip off the condom and finish in Leah, s mouth.

She was superb no hesitation just took it the mouth for a full CIM, feeling spent and legs gone we just fell on the bed to recover.

The last 15 mins we spent chatting and kissing, this was absolutely the best hour of pure sex I can remember having for a long time.

Leah will be moving in the next week or so to a new location the other side of town in Digbeth.

I have to recommend you go see her you will not be disappointed, this is how punting should be but all too often is not. A very sexy lady which I hope to see again very soon, Thanks again Leah .
