The Lady:

Very slim, blonde 5'5", with neat 32-22-32 figure. Small boobs with long, sensitive nipples.

The Story:

I have visited Anna's website several times and thought this was the girl for me. She is everything described on the website. After arrival at my room, we had a get-to-know-you cup of tea, before undressing each other, to reveal her small boobs and very sensitive nipples. Anna is one of the few girls I know who will kiss and we spent a lot of time cuddling, kissing and caressing before she moved on to a session of oral without. I am not a fan of reverse oral, but this was available if I had wanted.

I then started to use a large vibrator on Anna to which she responded well, as she did to a finger fuck session. She then decided that it was time to pay some attention to me and returned to oral to make me hard, before mounting me for a great fuck. Anna offers the nearest I have come to to girlfriend sex. If you like big titted girls, with big bellies and floppy bums, don't book Anna, leave her for those of us who prefer slim, sexy girls who enjoy sex with more mature men.
