The Premises:

At the end of a quiet cul-de-sac. Plenty of parking. Top floor flat of a small block of flats, with individual buzzers at the main entrance door. Very discreet. Easily approached via the southern ring road and Hengrove roundabout from the A.4, A.37 and A.38. Roxanne gives very clear directions at the time of confirming an appointment. Bedroom is welcoming, clean and comfortable, recently enhanced by the addition of a big ceiling fan for steamy sessions on hot summer days. There is a big firm bed and a comfortable armchair offering plenty of scope for having sex in all sorts of interesting positions.

The Lady:

She is 5'5" tall, with shoulder length blonde hair, big expressive brown eyes with a wide generous mouth with very kissable lips. In her early thirties with an exquisite catwalk type body. Her perfectly shaped size 32B breasts sport sensitive suckable nipples. She has a firm flat belly, size 8/10 hips, with shapely athletic thighs between which nestles the neatest nectar tasting pussy that a man can ever wish to explore. The picture of perfection is completed by her apple shaped bum and lovely legs. Having not been in the Bristol area since September I was delighted to find her in better shape than at any time in the three and a half years since I first paid her a visit.

Her intelligent, friendly disposition has made it easy for me and many of her other clients to feel completely relaxed in her company. I now regard her as a good friend. On this occasion she greeted me looking absolutely sensational, wearing a stunning black and pink bra and g-string with black stockings.

The Story:

The reason that I have kept returning to Roxanne is because she is one of those excellent working girls who intensifies the pleasure that you derive from her by inviting you to maximise her pleasure. It was many visits ago that she instructed me on the moves that please her the most. We now have complete confidence in each other. Her pleasure doubles mine and gives her plenty of job satisfaction at the same time! It is the rapport that her wealth of experience enables her to generate that makes a g.f.e with Roxanne such a wonderful experience. If this is what you like, then I have little doubt that she will make it happen.

For me, I discovered, almost by accident, that my modestly proportioned willy, when busy inside her

vagina hits the right spot. If, as is usual with me, I have given her enough clitoral stimulation with my tongue without bringing her off, then a minute or two of fucking will bring her to a shuddering climax. This first happened to me about ten visits ago, and at the time came as a complete, but utterly delightful surprise. On that occasion it needed a couple more minutes of intense humping to achieve my moments of bliss. Since then, we have got closer with our timing on most occasions, usually with Roxanne climaxing first, but on a couple of occasions I have needed to keep going for a minute or two with a full condom. On this occasion. Bullseye!! We both came together. Absolutely brilliant. As she climaxed she reared up underneath me to such an extent, that in my ejaculatory excitement, I cracked my head on the wall. The mixture of pleasure and pain was at the same time exquisitely pleasurable and hilariously funny. Over two hundred punts with over sixty working girls over the last nine years have given me many wonderful moments, but this, for me, marked a first, and tops anything that I have previously experienced. She is a poppet and I adore her. If you feel that a similar experience is something that you would like to try, then you might be able to achieve it rather more quickly than I have.

You will find that Roxanne is the type of girl that you will want to please, and she will certainly please you. I need to find another excuse to visit Bristol, the sooner the better!
