The Premises:

Very clean, discreet location. I believe the Mistress has male maids to do the menial tasks so the place was spotless. Nice safe location. no problems.

The Lady:

Goddess Kali is a very sensual Mistress. This was my second visit, I HAD to go back to Her. She has a commanding physical appearance with legs to die for and the most exquisite breasts I have ever been priviledged to see. The Goddess was looking stunning in a tight red figure hugging pvc catsuit, an amazing vision of beauty and supremacy. Some women were born to be in control.

The Story:

The Mistress instructed me to strip and kneel at Her altar. I was told that today's session would involve foot worship. I've never done this before and wasn't sure what to expect but knew I had no choice but to obey. I was ordered to kiss my Mistress's thighs, working my way down to Her sexy stiletto shoes. I then had to take Her shoes off and worship Her feet with my mouth. The Mistress was very clean and I found her blood red nails turning me on more than I expected. I was then spanked, kissed VERY sensually (this cemented my obedience to Mistress Kali) and told to dress. I can't wait for my next visit!! You owe it to yourself and the Goddess to serve Her.
