The Premises:

Flat high up in one of the smarter streets near Earls court , nice place , always fine round this part of London .

The Lady:

Totally gorgeous Czech girl , you can see from her pictures how beautiful her figure is , just about perfect I think as a woman's body goes , but thankfully she has a totally girl next door cheeky face , rosebud lips and so friendly and sappy ! Little nervous as very new to London but lovely attitude , cheered me up !

The Story:

Really nice time , relaxed her with one of my massages then down to work on a lovely juicy fanny , she loves a long licking and rimming , so responsive and sweet and clean as an angel . Absolutely lovely bod , I'm not really into bjs but I am sure those luscious lips could oblige so we got on with a long sweet mish fuck which was heavenly for me and ended the time (no rush)with cuddles and a laugh and short English lessons ! English very limited but a darling girl who wants you to have lots of pleasure and gives it !
