The Premises:

Had set this up after terrible troubling with E Mails to and fro. Was through in Glasgow for a company function so wanted to get into the right mood before the 9.00 p.m start. Had a nice bottle of wine just waiting to be shared with the right person

The Lady:

Her pics look amazing. What a disappointment when this much older, heavier and less pretty female came through the door. She was quite nice but a major let down when you were expecting to see the person in the pics.

The Story:

Service was quite good with OWO but it was hard adjusting your mind to be with a totally different person than you were expecting. Well conned lads. Be wary.
