The Lady:

Bianca is great; she has fantastic large tits. I think I read on an earlier Report that they are 36ff; well I'm no expert but they are extremely pleasant to observe, stroke and suck. She also has lovely long dark hair and a enjoyably hairy pussy.

The Story:

Bianca brought my mug of tea in just after my pre-sex shower and asked me to lie on my front while she performed a massage. The massage was slow and very erotic; I loved how she touched me with her hair. Soon I was turning over and was able to see Bianca's fabulous tits in all their glory; if you like tits a lot you'll love Bianca's. She instructed me to open my legs wide and she then proceeded to give me a very very competent blow job which lasted many minutes; Bianca sucks and licks with gusto and the sensation was, of course, accentuated as it was OWO. My hard-on came and went a bit (very frustrating) but after licking her pussy intensively and very enjoyably (note Bianca doesn't like fingers inside) I gave her a cuddle, stroked her chest and then with much encouragement from this sexy lady wanked over her tits. Good fun and only then did I have my tea.
