The Lady:

Beautiful, voluptuous black girl. Very long light brown hair, very good looking with sexy lips, medium sized breasts with amazing pert nipples and an amazing well rounded ass.

The Story:

Six girls on, all very attractive (including Miranda, Natasha, Hannah - a new girl).

Got into the room with Tyra and was treated to a good firm massage. She turned me over and stripped, allowing me to play with those sensitive nipples and stroke that fantastic ass. Tyra claims she needs to lose weight, but no complaints on her figure from me.

Treated me to some very enjoyable OWO before moving into 69. The sight in the ceiling mirror of that ass planet on my face almost made me come. She seemed to be enjoying herself to, but moved off and popped on the condom. Straddled me and pinned my arms down to fuck me for a while, before I asked her to move to doggy style - simply had to shag her from behind. Slammed myself up against her rounded ass cheeks for a while before it all got too much and I shot my load.

Lay and chatted for a while before heading off for a shower. Would definitely see her again, except Scorpio always has so much choice in sexy girls its hard to resist the variety.
