The Story:

She showed me herself in a lesbian video and I was ready to explode before we even got to the bedroom! First hour some nurse and patient roleplay and second hour some sexy secretary boss roleplay. She had lots of uniforms, great legs and breasts and talked really dirty to me but in a very sexy manner. She does the full girlfriend experience and boy what a kisser! Excellent fun and definitely the best and most interestingly erotic escort I have visited in the Berkshire area.
