The Premises:

Very clean place in a nice part of London. Staff are very friendly and offered we a glass of wine which helped calm my nerves a bit.

The room I was in had all the equipment you would expect.

The Lady:

Kate is a very attractive woman who must be about 6 feet tall, has stunning long legs, in her late 20's I would guess

The Story:

This was my first trip to a place like this for several years and I was quite nervous. Kate put me at ease and we discussed what I wanted out of a session. I wanted the Schoolmistress/ naughty Schoolboy scenerio and Kate was happy to oblige.

She dressed as a schoolmistress and acted just like one before putting me over her knee and spanking me after pulling my pants down. She then proceeded to give me the paddle and then the cane before finishing off over her knee for another hand spanking which was exactly what I wanted. Then Kate gave me a hand job which was great.

Kate played the role of schoolmistress perfectly and didnt once break character. She certainly gave me a sore bottom and left me with a few marks on my bottom which took about a week to clear up!!! Thank you Kate you were great and I will certainly pay you another visit when I am in London next.
