The Premises:

nice clean parlor, receptionist friendly as always, paper thin walls, can basically hear when the phone rings, door bell and so forth, but if your like me and don't give a fuck, doesnt really matter, just being honest, defo worth a visit for this girl besides all that.

The Lady:

porn star material basically. you could eat your dinner from her pussy, she has a little surprise down there, wont say but it will raise a smile, and raise your cock to.

The Story:

Fingered my ass, gave good oral, fucked her from behind, then at the end of the bed, good fuck all round. worth a visit crewe is a bit hit and miss for stunners, angel being an exception. to be honest the pent house was really hot about 2/3 years ago, all kinds young, middle aged, sandys super stars { Manchester } is totally over rated to, far to clinical, but thats another story jack
Go see Angel sometime, does watersports to, till next time.
