Gorgoeus beautiful both facially and those huge 38GG boobs. If you like very thin women then look elsewhere but if you like women with curves and big breasts she's a dream.

The Story:

Been to see Mel a number of times, but never written a report. This lady is fun to be with, nice to talk to and offers breast relief that makes a boobman's dreams come true. The titfuck that we finished off with was pure heaven. Beware though, when you visit Melina once, you'll be hooked. Its like going to see a friend now, but one who tantalises me with her boobs and knows how to pleasure me. Mel you're a gem and a fantasy figure come true.
