The Premises:

Situated approx 3 blocks from tram station, next door to chinese restaurant...
Room was next door to reception

The Lady:

slightly larger than pics on website & there are some scar marks on her thighs & her bum seem a bit flabby with celulite..... Has a few tattoos.... would have preferred the receptionist..

The Story:

After reading the forums decided to see jade as she seems to have good report & the price seems reasonable....

Well, my 1st impression when I had to wait at lounge when she walked by was that 'have I made the right choice?' as she seem rather large which was a real turn-off for me,, but I wasn't going to be rude & walk out as the receptionist seems friendly...

Well, she came in room after I had a quick shower,, her personality quickly shine the room up & seems extremely friendly,, in fact I rate her as 1 of the most friendlist WG's I've met,, only downside was that I didn't find her as attractive on her size which was a downside for me..

Well, she gave me plenty of OWO,, then did her doggy style followed by CIM (which was all inclusive in price)

Overall: I cannot fault the service provided by Jade & she's extremely friendly to chat to who loves her job & with the all inclusive price,, you cannot really go wrong... however the only downside was that she seemed a bit too big for my liking in real life as I don't really like BBW, but that's my opinion...
