The Lady:

An absolute babe,,, she does look much better looking with her hair straight rather than the she previously had...cannot fault anything wrong with Leah,, purfect lips, body & bum to die for....

The Story:

After reading her FR's, I have to admit that she lived up to every positive report she's had... She's an absolute babe,, When she took off her knickers to reveal her bum,,, I just had to do it doggy style,,,, it was just too purfect...

To cut it short,, I'd def return to see Leah & i do rate her as i of the best on sandy's establishment....
