The Premises:

This venue has existed for years. It is easy to find and has two entrances, one front & one back, is clean and feels perfectly safe.

Donna, the world's longest serving receptionist (and best) was on duty to provide her normal excellent service.

The Lady:

Mid to late -thirties,(though I am poor at judging ages) short dark hair, tanned and attractive body. Average height. Lovely friendly character - one of the most natural WG's I have ever met. Also new to the job - so please look after her and don't ruin her manner.

The Story:

Sorry no details here. All I will say is that the time passed by quickly, the kisses and cuddles felt genuine and Amber seemed an absolute natural.

Amber - many thanks, you are a new treat in Crewe.
