The Premises:

Nice place, not been to Karen's before, but was impressed by the inside of the place. One of the nicer looking Levenshulme parlours.

The Lady:

Abby was blonde, the maid said she was 22 - I'd say this was pretty accurate. Pretty girl, nice curves. Wore black bra and knickers, and some shiny black knee-high boots and fishnet stockings. Very nice!!

The Story:

After a short wait after paying the maid she entered the room, stripped off her bra and undies and gave me a nice back rub before she started licking the old perineum, which got me nice and hard. I turned over, upon which she grabbed my erection and proclaimed "He's not shy, is he??". She then proceeded to give me some stunning OWO, including some quite special ball-licking. After returning the favour for a short while, the party hat went on and we moved on to the sex, in mish then doggie, then some more mish, before she whipped off the condom and proceeded to suck me off to a shuddering climax. After excusing herself to spit out my load into a tissue, we got dressed and finished the session with a nice friendly chat.

Good punt, a nice girl, would definitely go again.
