The Premises:

Scorpio - just opposite Hibs stadium, so not a great idea to go there on a home game day. Cramped changing and shower area, and a bit less 'up market' than LSS. Friendly enough however, and plentiful supplies of shower gel and mouthwash.

The Lady:

Zoe is early 20s, slim with long dyed blonde hair. This was my first visit to her for several months, and as a previous report noted, her breasts are noticeably larger than before, but still natural and very pert. Pussy cleanly shaven.

The Story:

Hadn't been to Scorpio for months, so decided to treat myself to a repeat visit to Zoe. Waited while she finished a cigarette and some chips before going to the room. She stripped off straight away allowing me to admire aforementioned breasts. Started with a perfectly pleasant back massage with oil and the usual chit-chat, then she asked me to turn over and she got down to business.

She started with OWO (not so much as a 'by your leave'!) which put me in the mood nicely. I soon got to grips with those lovely boobs, and very sensitive nipples. I then moved to reverse oral which she seemed to enjoy judging by her appreciative noises. She appeared to cum, then we had a prolonged session of french kissing. She gently rubbed my helmet against her clit, and for an alarming moment I thought she was going to slip me into her without protection. However, just in time she stopped and slipped on the condom. She slid me into her firm pussy and we had slow and deep sex in several positions. Now came the surprising bit, when she pulled me out, pulled off the condom, and proceeded to a further session of expertly conducted OWO which I was unable to resist, and I came shudderingly in her mouth. I had not asked for CIM, so it was all the more satisfying for being unexpected.

Zoe is extremely sexy and uninhibited, and I must not leave it so long before I return the next time.
