### The Premises:

Clean & Tidy walk up in the Devonport area of Plymouth. 4 massage rooms in total. A bit clinical but clean. This establishment is on a main road but that doesn't really put you off.

### The Lady:

Very very attractive 19/20 year old, brown hair with sexy blonde streaks. Beautiful pert breasts and an ass to die for.

### The Story:

Sasha left VIP for a short while in January...I have been scouring the local free ads and this site to see if she went private. I finally heard she had returned and quickly made an appointment. I drove to the appointment with a hard on....she is by far the best punt I have ever had. A very pretty, sexy and pleasant woman who enjoys what she does and makes the whole experience very personal.

After paying the money Sasha took me to the room. We began with a massage and had a lovely chat. I hadn't seen her for a few months but she remembered me and what I did for a living. As we were talking Sasha asked if I had ever commented about her on this site...when I said yes she immediately knew my ID. This got me a bit embarrassed as I am quite shy. Any back to the report. After a while of massage we made our way to the floor and I was given the most wonderful BJ (covered). Sasha soon chose to ride me and I must say that because of her sheer sexyness and skill I came very quickly (sorry Sasha).

We cleaned up and Sasha started to massage me again....I know she does kiss sometimes but I have never asked her. I find this very personal and am a bit shy to ask - who knows maybe next time eh? I rolled onto my back and began to get hard again, she slipped on another rubber and said "your doing me from behind this time". Well I didn't need to be asked twice...I was banging away at her beautiful pussy whilst playing with her perfect ass. Sasha does do anal but I chose not to this time. It is my favorite so I'll be back soon. After 10 minutes of doggy Sasha removed the condom and positioned herself by my cock. She wanked me off till I came over her lovely tits.

The whole experience was unhurried and very personal. Sasha is a true GF experience, now I know a lot of you guys will say to yourself - but your paying her to do it - but she does enjoy her work. I have a very stressful and long houred job and don't particularly want a relationship. I would

rather have a punt with someone like Sasha than have a one night stand. As long as Sasha is working I won't be looking anywhere else. Thank you Sasha....you are the best. C U soon and maybe I'll ask for a kiss xxxx
