The Story:

Made to wait at the front door and then again in the bedroom. I got the feeling that this wasnt going to be a good punt and I was right. She wanted to talk, keep her clothes on and to remain dead still on the bed. She didnt want to touch, move or respond to anything. She attempted to go to sleep and after telling her to wake up, she screamed "youre too big" after 1 second to attempted sex. First time in 10 years punting in London that Ive been refused with that excuse. I got dressed left, phoned the agency, who I couldnt fault, went back and got the agency fee off her, ?50 but I still feel robbed. The agency said that they would sort it for me next week with another girl.

She said that she was heading back to "her country" and then returning to study business. If this is the way that you conduct business, youre studying the wrong thing Erica!

Shes on a couple of sites
