The Premises:

The room was comfortable, clean and well illuminated with a shower and sink in one corner, large mirror over the bed which had leather cushions on it, the place doesn't feel seedy or anything like that.

The Lady:

Zeta has blonde shoulder length hair and has blue eyes, mid twenties slim and about 5'2 I think, and about a C. shaven and also with about half a dozen tattoos. She speaks quietly but is confident in what she does; she can calm nervous people quite easily, and has a Dom streak for those who are interested in that sort of thing as well as the clothing and whips etc. When I saw her she was in a sort of sequin playboy bikini type outfit and high heels, most appealing.

The Story:

I'm not one for the Dom experience so I went for the quick massage then right to the fun. We started with a rather enjoyable 69 as she was putting on my rubber, now that I could have done all day, but we stopped before she brought me off. Then with her on her back we went for the her knees in my elbows pounding that I enjoy most, she was moaning like she was a 16 year old schoolgirl (I think she has the costume for that too). A most enjoyable experience and one I will repeat. Maybe I'll catch her in her thigh length PVC boots next time and be a little more adventurous?
