Pics on web-site are accurate, except they don't quite catch the glint in her eye. :-)

The Story:

I met Anika a few years ago when she was with agencycaprice. Should not have waited this long to return. Saw her twice, again on Sunday for an hour.

Lovely girl, all over you from when you walk in the door, deep french kissing and roaming hands. As I was staying for 90 minutes she told me she wanted to give me a tongue massage. Yes, you read it correctly ! :-) I suggested a shower and she advised me to ensure my bum was extra clean. I knew then I was in for something special ! Since we met a few years ago she seems to have developed quite a bum fetish, essentially I was massaged, kissed and licked over my entire body, with special attention you-know-where. A first for me and an amazing sensation. There followed a variety of positions, reverse oral, 69 etc finishing in energetic cowgirl. A more conventional massage followed.

On the re-match on Sunday a more conventional affair due to time constraints, lovely BBBJ technique, 69, cow-girl, doggie. At my request she wore the tartan skirt you can see in her gallery - you have not lived until you have lifted that skirt and helped yourself ! :-) To continue the bum theme we finished this meet in deep mish with her inserting her vibrator on full speed up her arse. Amazing sensation !

Lovely girl and I had a great time.

Recommend the steak-house nearby too.
