The Story:

Very enjoyable session. on arrival I received a lovely deep french kiss coupled with lots of hugs and hand movement. removed my coat and jacket and then into even more passionate kissing. More clothing removal and she slowly knelt facing my tool which was bursting out of my underpants. She removed the offending article at which my cock popped out and straight into her mouth for some great OWO. Ball licking and tongue caressing around my head made it difficult to control myself. Off with her dress to expose a pure white bra,suspenders and stockings with no panties to cover her most inviting moist pussy. More OWO all over the bed with a glorious tit fuck and could put off fall penetration no more. On with the cover and in I slipped and I mean slipped. Missionary,and doggy were fantastic with me unleashing my load up inside her while focussing on her lovely arse. Sexual cuddles and caressing then followed. I knew I would not be up for a second round and though she tried 'everything' to entice me to stay I said my fond farewells. Highly recommended
