### The Story:

What a fantastic punt! This girl is new to Maxes and wow. When i first picked her up i wasn't sure it was girl in pics but that was mainly due to her hair! Much slimmer in real but when she is undressed everything is in proportion. Ordered a take away as she was hungary. Fine by me, so often these girls don't want to eat! I thought this was going to be a delay tactic but i was wrong. Poured a couple of GT's, chatted for a bit and then she was full on. Very responsive to touch and what a bj without. Off with the clothes and wow, perfect. Lovely part shaven and it tasted great. Take away came as we were getting down to it so she hid in the loo while i rapidly dressed. Short interval and staright back to it! 3 hours just wasn't enough, it went to quick. I came once in her and once in her mouth. Great eye contact and i'm definately having Holly back....probably with Chloe...another Max favourite. Max has the best girls, why i deserted for other agencies last week i'll never know!!
