The Lady:

As described well on the website. Olivia has a fantastic body and uses it to the best advantage. Her chest is something to be admired.

The Story:

I booked Olivia with the excellent Pat from the agency. He is very helpful to customers and also looks after the girls very well. Olivia arrived, dressed in a black silky evening dress with low front. We spent the first part of the evening in a nice restaurant nearby and I could not help admiring her beautiful cleavage during the meal and really wanting to release those fine breasts. She is a real pleasure to have with you. Her conversation is educated and good company.

Back to the flat for a remarkable night of fun. This girl is a real GFE and I will remember lying next to her all night. I will not go into detail, that is for you to find out.

We finished with a nice breakfast and then off she went.

This is not the first time I have seen Olivia and I know it will not be the last. She is only available for the first two weeks of the month as she lives in France the rest of the time.

Olivia is a real find, treat her with respect and she will not disappoint.

Highly recommended
