The Premises:

The location was very easy to find and had lots of parking available. Also had a private entrance away from the main road.

The Lady:

The photos on the website do not do Kelly justice. I can honestly say Kelly has the arse of an 18 year old. The rest of her body is just as amazing.

The Story:

I had a great time with Kelly. This was the second time I had seen her and each time she greeted me with a smile and was extremely friendly. Went for the house special which involved a shower with Kelly who loved being gone down on in the shower. After we had finished with the general massage I continued my oral pleasure on Kelly who insisted on returning the favour at the same time. This also lead to tounge in other places but I'll leave that between me and her. We then continued onto the best part in various positions where Kelly really let go (I love a screamer!!!). I am very pleased to say Kelly also knows when to talk dirty when required. Would DEFINATELY see Kelly again. Highly recommended.
