The Premises:

Wow, what a great place this is. Excellent parking great environment and the rooms are something else. Great

The Lady:

lady was very very good looking, very long dark hair, bright blue eyes and great body. Maybe about 23 to 25 at a guess.

The Story:

Having said all that, this was the worst experience I have ever had with a working girl. The website did say she was new so perhaps this is the wrong job for her. I recommend the place but make sure to check if you choose Kate she is not having a bad day. I simply left before we had done much cos she was pretty awful in attitude!
