The Story:

First of all she does'nt do anything without a condom, well thats fine coz there plenty too catch from just a bj yeah...?

Very good O and very good doggy style pounding, she can make her c*nt grab your dick as it goes in and out of her entrance almost feels like an ass hole as it popped in and out...

You know when a girl is enjoying your pounding effort, you feel the top of her c*nt with your bell end and watch as her fingers grip the bedding then she gets very wet and appologises for the fact that she's running like a tap today.

The its on her back whilst i probe as deep as I could at the same time watching her rub her clit untill she said O Yes f*ck it in to me now - and that was that...

A very Good Punt
