The Premises:

Lovely gigantic ground floor flat with pay and display parking outside.

The Lady:

The pictures on the site give you an idea of what to expect, add a very pretty face to the voluptuous figure and a great personality.

The Story:

Struck up an instant rapport with Pru who is a great laugh with a michievous personality.

Fun started with a shared shower which got me ready for action and into the bedroom.

Fancied a bit of tie and tease for a change and Pru is an expert at this sort of service. After tantalizing me for 20 mins with the vibrating gloves i shot my load all over the place.

Lots of kissing whilst i recovered for round 2 which was more of an intimate time with Pru getting on top and watching those lovely tits bouncing up and down.

A very friendly woman who enjoys her work and gives a great service.
