The Lady:

Mid 30's. Tall elegant and stunningly beautiful lady of about 5'9'. Superbly toned body, long, long legs and the most silkiest long dark hair. Arguably the most sparkling eyes giving her a most captivating smile. Dressed as always in a dark trouser suit.

The Story:

Second date with Dianna. Had dinner first, during which Dianna, was a most charming , intelligent and witty companion and we seemed to talk endlessly, and on many subjects.(Thanks Dianna for my music education !!). Then back to the Travel Lodge. I do not intend to disclose anything of the next hours, as what happened is purely between Dianna and myself. Suffice to say that the word ' paradise ' has taken on a new meaning. All I hope is that my contribution to the evening was as satisfying to her, as Dianna's was to me, and I would'nt bother seeing any one else but her again as she is the absolute ultimate.

Guys if you are privileged to see this wonderful lady, treat her with the utmost care and respect that she deserves

Would I see Dianna again ? If circumstances permit I would move heaven and earth to spend more wonderful experiences with this fabulous lady
