### The Premises:

the place was very clean in a nice quite area. parking is available or u can park at the station and will be about 5 minutes walk. u got chance to shower if u go there straight from work.

### The Lady:

nicole is a very lovely busty tall italian middle 20's girl. she made feel very comfortable with her chatting and her sexy accent. she is not a skynny type but she has a fantastic bum and great breast. the best i ever seen in the establish in all this years.

### The Story:

i did paid for the basic massage at the door but i just couldn't wait to take her uniform off and kiss her full italian lips. she did give me a full service but wasn't just sex was like making love. i can't wait to see her again!
