The Story:

Had seen Jasmine about a year ago and she was very welcoming. Was offered a drink and we had a good chat before moving upstairs. Jasmine does a superb sensuous massage, and her longish nails really had me going as she stroked around my buttocks. After turning over Jasmine continued the massage on the front until we moved on to more intimate matters. I gave her oral for quite a time before she returned the compliment (covered), and we then proceeded to an energetic cowgirl finish. After relaxing kissing and cuddling, Jasmines erotic use of her fingernails got me aroused for round two which followed a similar pattern to round one except she finished me off by hand. We had run over time but Jasmine was unconcerned. All in all an excellent time thank you Jasmine. I won't wait a year to return again!!
