The Story:

I telephoned 10 minutes before arrival to book Sasha who I was told was available. When I got there I was told Sasha was now on lunch and the only other girl was Shoku, very pleasant sexy lady but not really my type. After the money had been exchanged I was shown to the back room. Very nice massage followed then a bit of oral and 69er. Then took Shoku doggy style followed by me on top in various positions. I was sort of enjoying it but my heart was not really in it as I had built up my hopes on seeing Sasha. Shoku is a very sexy lady but I got the impression that she was trying a bit too hard and it came accross as being a little false.
