### The Premises:

It was my first visit to Victoria House, and the first where I've actually mixed with other punters. The facilities are superb and so far as I know you can spend as long as you want in the showers, spa bath, saunas and solarium with unlimited tea, coffee, soft drinks, biscuits and sweets. The fee for all this is ?12 paid at reception, where you're introduced to the available girls. Reception "think" the girls charge from ?25 to ?50, to be discussed privately. The menu appears to be ?25 for hand relief, ?30 topless, ?40 either oral or sex, and ?50 the works. I showered, spa bathed, drank coffee and went in my robe up to the lounge where I was met by two other punters. Thankfully being first in the queue I was offered the first available girl, Tiffanie. I went for the ?50 option, making the encounter ?62 in all.

### The Lady:

Tiffanie is a beautiful 23 year old blonde. In accordance with the house rules she wore a short tunic, stockings and high heels, which suits me just fine! Gradually she lost the tunic and her panties during my massage. She is about 5ft 3 and petite, and keen to please.

### The Story:

Massage it was. A good 15 mins of back massage, after which she asked me to massage her in return. This was difficult to do with dignity with a hard-on, but I coped. Then on with the condom and an all too brief oral session. She rode me from on top to start, then I had to ask for mish. Tiffanie offered doggie, but I was already into my stride.

It was a very nice and relaxing experience, but rather dangerous as all the action happens on a narrow massage table. I can't believe some people don't fall off, then what do they say to the ambulance?
