### The Premises:

Sandy's... the best there is. Like Alton Towers but the rides are one on one and more slippery!

### The Lady:

Unbelievable! If only you could see her face on the website. Stunning!!

### The Story:

Once again, Leah blows my mind (amongst other things). I've gone into enough detail before so I'll only say that if you haven't been "Leah'd" yet, then what the hell are you waiting for.

Do be warned though, her thighs can still crush a human skull when she cums... :-)

Thanks Leah, fantastic as always...
