The Story:

Met by Elizabeth who was very quick to put me at ease as this was my first visit to her. After a bit of chat Elizabeth upped the tempo by undressing me on the settee, where after some gentle stoking and superb oral we moved to the bedroom. What followed was delightful with Elizabeth giving her tongue full rein over my whole body. Eventually I was able to return the compliment with reverse oral. Thereafter it was a delightful blur as Elizabeth performed expert uncovered oral to completion. We then unwound with a kiss and a cuddle, a lovely way to end. Many thanks Elizabeth.
