The Premises:

A nice little basement flat. About a strong stone's throw from Earls Court Tube. Shared place with a colleague whom I had the pleasure of seeing on her way out. Mmm free views are always good.

The Lady:

She look a lot more vibrant and fresh compared to the photographs on the site. Very good conversationalist and easy to speak to. Gosh nearly forgot what I was there for. Seen her twice actually.

The Story:

Started out at a very relaxed pace as I have paid for 2 hours and I don't need to hump like a bunny from start to finish. We enjoyed many glasses of wine and shared some cigarettes. Conversation was very good cause she's a lovely down to earth person if you know her. The action started with a little bit of a cuddle with her parked in my lap and very nice snogging ensued. Things escalated and clothes were discarded quickly. I'll skip the blow by blow account. I would say she has very good suction power and tastes a little like honey. Shaven and hygienic. The fun bit is she is very ticklish. I got slapped a bit for that (laughs!). To sum it up, she's a lovely lady to spend time with and will probably make some lad a wonderful girlfriend someday.
