Lisa is as described many times before in previous reports. Slim, pretty, dark short hair and a lovely bottom.

The Story:

I have visited Lisa many, many times over the last few years. She is a kind and considerate lady who always gives value for money. She is always very clean and I have a thorough shower before I visit or on arrival [shower facilities are available] Lisa gives OWO with expertese, and enjoys kissing. She does not do A levels which is fine by me. She has been reported on many times before by many other punters and I have read all their reports over the last few years. I will be visiting again, and again, and again.
