The Lady:

Definitely the girl in the pic. Tall, especially in high heels pretty, long dark hair, not slim but powerfully built well proportioned woman, well toned. Oh yes and the most magnificent pair of tits I have come across so to speak! NOT surprised to learn she is a Former Daily Sport glamour model.

The Story:

Sorry for submitting this report so late but didn't know this site took reports from experiences outside the UK in Dublin.

Found this girl on the Irish independents site. Goes by the name Busty Chantel but also known as Toni on Photogirls. Seemed very pleasant on the telephone so decided to give her a go.

Greeted me at the door in a baby doll outfit but got instant hard on seeing those magnificent melons bulging underneath. Greeted me with a kiss and a smile. It was my first time so I was very nervous but her friendly chatty nature put me at ease straight away. This lady is very friendly and chatty.

Was expecting more of a slutty experience to be honest but this girl does a wonderful GFE. Lots of deep passionate French Kissing before unleashing those enormous 38G melons. Unbelievable sight watching those huge tits bouncing up and down on top of me. Without going into too much detail I soon found myself shooting my load all over her tits. A thoroughly enjoyable experience with a wonderful and very sexy lady. Treat her well and you will get the rewards. Will definitely be returning if she comes back to Dublin or otherwise might look her up when I'm in London.
