### The Premises:

Nice flat near Waterloo, clean and safe, but being a top floor flat and the lights not working, could be a bit of a problem. She is moving soon to a new flat.

### The Lady:

she looks a lot better in the flesh than the photos and she is hot in them.  
about 5, 6 long blonde hair wonderful tits (enhanced) but very good.  
long legs and very slim. all in all, stunning.

### The Story:

max had talked to me for ages about seeing melissa and one thing or another always came up. managed to today. was meet at the door and made to feel very welcome at once. into sitting room for a get to know each other chat and a drink. told that "i will slip into something sexier".

She returned wearing a sexier bra and panties and sat down next to me. Next thing I know she is , down on her kness in front of me giving me a blow job, She sucked me hard, licking my balls and arse. It was as much as I could do not to come there and then!

We made our way to the bedroom, where she continued to blow me, after about 10 minutes I returned the favour. She tasted devine, and I started to finger fuck her, with one, then two then three and then four fingers. At the same time I was play with her anus. A one stage I was licking her out and finger fucking her with 4 fingers from one hand in her pussy and a futher 2 from ther other hand in her anus. She begged me fuck her hard. I duly obliged. Moved over to a 69 and continued this and bening blown myself. Wow. After she came, the raincoat was placed on and we fucked like banshees.

This went on like this, crazed sex, with bouts of chatter, mainly about football and Liverpool, and drinks inbetween.
