### The Premises:

Easy to find - very good map and directions from the website. Loads of easy parking nearby.

### The Lady:

Arrived taken to a room and told that Isabelle would be joining me - not sure if other girls were working but not given the choice. As it turned out not an issue because Isabelle is lovely. Fantastic curvy figure, lovely smile, wicked eyes. Early 30s apparantly although in the flesh I'd put her at a few year's younger.

### The Story:

Great time - opted for the VIP at ?60 - oral, reverse, sex. All very pleasant - ended up being wanked off between her gorgeous breasts. Definetly beats stopping at a Motorway service station for a break!
