The Premises:

World Famous Babes in Bury - private car park at rear, clean and friendly place, offered drink on arrival and had to wait about 15 minutes for Lolita to come down. Admired Melissa while I was waiting and will try to visit her next time I'm in the area.

The Lady:

Wild blonde hair and very attractive face - her pictures give a good impression and her figure is very nice - her bum is just as I like it, cute and strokeable.

The Story:

Finished my shower and lay on the bed to await Lolita's arrival. When she entered I was treated to a dance and strip routine that had me grinning, followed by a very nice massage with her body and hair stroking my back. Covered oral was great with nice eye contact, followed by cowgirl and finish in mish. I dunno how I managed to miss this girl before, Babes have another winner I think.
